

Product-Information

Bio-X-2000 Special surfaces cleaner

Properties: For cleaning varnished surfaces, interior partition walls, doors, plastics, aluminium, alloy steel, sanded and polished stone, glass and window frames. Bio-X-2000 dissolves strong fats, nicotine and dirt-layers.

Bio-X-2000 contains not only cleaning substances but also cleaning components, which keep the varnished surfaces shining even by constant use.

Dosage: pure up to 1:20 diluted, according to the toughness of stain

Directions for use: Apply Heidt & Schwarzfeld Bio-X-2000 and leave it to react shortly. A mechanical rubbing down with a cloth or a white nylon pad increases the cleaning effect. Then wash off thoroughly with water.

Application: according to the toughness of stain

Specifications:	Expiration	minimum of 2 years
	pH-value	7 – 8 in concentrate
	Contents	watery solution of inionic and non-ionic tenside and pyrophosphate
