

Product-Information

HS-Rapid

dispersion colour and synthetic resin plaster dissolver

Properties: HS-Rapid is a biodegradable dispersion colour remover and a synthetic resin plaster dissolver for in and outdoors. HS-Rapid penetrates also quickly many layers, removes oil, fat, wax and tar stains, as well as adhesive residues. Does not attack glass, metal and enamel and can be used on all solvent-resistant grounds.

Dosage: pure

Directions for use: Spray on HS-Rapid in a not too thin layer and allow it to take effect. By smooth grounds, the dissolved colour can be taken with a scraper. By rough grounds spray off the grounds from bottom to top with a high pressure cleaning equipment.

Application: according to the toughness of stain

Note: Protect plastic parts, plastic glass and plants. Please ensure an adequate ventilation when used indoors. Do not use into direct sunlight and wind. Store in a dry cool place.

Please follow carefully the instructions and safety recommendations out of the safety EU-regulations form.

Specifications:	Expiration	~minimum of 1 year
	pH-value	none
	Contents	ethanole, n-butylacetate, tenside

Barrel size: 12 x 600 ml /Box

UN-Number:	1170/1123
UBA-Number:	12670048
Item-Number:	10402
